Details About Ordering the RTI Starter Kit

The Starter Kit is \$370.00 plus the cost of shipping. Packages are shipped via UPS. Only whole kits can be ordered, not parts. The cost of shipping it to you is based on your US zip code. Please fill in and email this form to rti-kit@c-h-i.org. Once we know your exact address, we will send you an invoice via PayPal (including shipping cost). We will ship the kit once the invoice has been paid. Note to California residents: sales tax will be added to your invoice.

You do not need a PayPal account to purchase an RTI kit. PayPal simply provides secure online credit card transactions for us. Let us know how you intend to pay for the kit:

- I want to pay by credit card.
- I want to pay by check.
- I want to pay by wire transfer (EFT)
- I want to pay by purchase order.

Instructions for payment will be on your invoice. Questions? Write to rti-kit@c-h-i.org.
