Details About Ordering the Kit

The Starter Kit is **\$370.00 + shipping cost + \$15.00 handling fee**. Only whole kits can be ordered, not parts.

Packages are shipped via USPS (United States Postal Service), and USPS transfers the package to your country's postal service for delivery. If you prefer to use a different carrier, let us know. Shipping cost is based on your country and exact address. Please fill in and email this form to rti-kit@c-h-i.org. Once we know your location, we will send you an invoice via PayPal (including shipping cost). We will ship the kit once the invoice has been paid. **Note: You do not need a PayPal account to purchase an RTI kit.** PayPal simply provides secure online credit card transactions for us. Let us know how you intend to pay for the kit:

- I want to pay by credit card.
- I want to pay by check.
- I want to pay by wire transfer (EFT)
- I want to pay by purchase order.

Instructions for payment will be on your invoice. Note that shipping costs include carriage and insurance only; as the buyer, you are responsible for any duty or tax-related costs upon delivery. Please include your VAT ID number (if available) to ease import clearance.
